

## **LUNAR PASTORAL CO**

### **Experienced Farm Hand – 2IC**

A permanent full-time position is available for an experienced farm hand, 2IC, on a family owned and operated beef cattle property located near St George, Queensland. We are looking for a long term employee who wants to progress to a management role. The successful applicant will be a self-motivated, hard-working, honest and reliable person who has good communication skills and takes pride in their work. They will be involved in the day to day running of the property, as well as contributing to key decision making processes.

#### Main duties and responsibilities

- Servicing and maintenance of the vehicles and equipment
- Fencing – new and repairs
- Checking stock waters
- Pasture management
- Mustering on either horse or bike
- Processing cattle
- Record keeping – stock movements, vehicle services, etc.

#### Key attributes required

- Mechanical experience
- Operate machinery
- Dry land farming experience preferred
- Basic computer skills
- Ability to work cattle quietly
- Organised and punctual
- Able to work unsupervised as well as work in a team environment
- Must be hard working, energetic and have a sense of humour

#### The following is offered to the successful applicant

- An attractive remuneration package
- An air-conditioned 3 bedroom, 2 bathroom cottage with a fully fenced yard (outside pets welcome)
- Work vehicle provided
- School bus to local primary school
- Further training is encouraged and will be provided

This position is available for an immediate start.
