

Position Description

Position Details	
Position Title:	Stud Operations
Reports to:	Market Operations Supervisor
Role Purpose	
<p>A full-time position, open to a recent graduate or a candidate with experience. This role will provide the successful applicant with extensive experience across the livestock industry in marketing, buying and selling of sheep, cattle and wool, disruptive technology, social media, sales, assessor training, finance and design thinking.</p> <p>The Stud Operations Team delivers premium customer experiences through marketing, data integrity and streamlined, customer-focused online technology. A team that is flexible and dynamic, they build customer confidence through industry knowledge, simple tech solutions and strong brand recognition. A hands-on team, they work remotely and in-field to deliver online solutions to traditional markets. Strong relationships with customers are developed enabling continued sales growth and engagement for new project opportunities. This role provides the opportunity to engage with industry participants, identifying new sales opportunities and ways in which AP can further improve its service offering to customers, both internally and externally. Participation in field events and on-farm sales will also be required.</p> <p>This is an opportunity to work for a cutting-edge tech disruptor in the traditional livestock and wool sector. If you are passionate about reshaping the livestock sector, please contact us at hr@auctionsplus.com.au</p>	
Key Responsibilities	
1	<p>Education</p> <ul style="list-style-type: none"> Educate customers in the AuctionsPlus auctions platform features & benefits Support customers in actively utilising the AP auctions platform features Deliver presentations to internal and external customers that are training, sales and new opportunity focused
2	<p>Operations</p> <ul style="list-style-type: none"> Process and plan events and upcoming sales to ensure customer satisfaction and maximum exposure for AuctionsPlus Ensure auction catalogues are produced accurately, professionally and on-time and are effectively marketed Ensure the quality and robustness of software products through regular end-user testing and customer feedback Cross-train across all areas of the Market Operations Team including cataloguing, social media, marketing, advertising, interface sales, wool, livestock, reports, finance and business development
3	<p>Relationship Management</p> <ul style="list-style-type: none"> Maintain regular contact with livestock selling agents, producers and buyers to understand their needs and drivers Proactively seek ways in which to further support customers Use market data and trends to enable customers to make informed decisions Effectively manage mis-descriptions and dispute resolution
4	<p>Business Development</p> <ul style="list-style-type: none"> Actively identify and execute on new sale opportunities Engage with industry participants and customers to build relationships and identify potential business opportunities Analyse sales and market data to identify business opportunities
5	<p>Business Insights</p> <ul style="list-style-type: none"> Create and deliver market reports for sales, identify trends, marketable information and value-add information for clients Keep abreast of industry practices and current trends Share business intelligence internally to build customer and market awareness
