Yarding 6450
 Change 420

comparison date 29/08/2019

It was a plainer quality yarding with once again good numbers of young cattle lacking finish. There were a few lines of top quality cows yarded along with good numbers of plainer types. There were only odd lots of well finished trade cattle and very few grown steers. Most of the regular processors were operating through some southern restockers. Feedlotter were absent.

Young cattle to the trade were from 10c to 14c/kg cheaper, with quality a factor. The prime steer yearlings sold from 260c to 323c, while the prime heifer yearlings made from 250c to 290c/kg. Feeder steers and heifers were from 10c to 13c/kg cheaper. The feeder steers sold from 241c to 311c, while the feeder heifers sold from 206c to 295c/kg. Young restocker cattle were firm to 10c/kg cheaper. The young steers sold from 180c to 302c, while the young restocker heifers made from 100c to 254c/kg.

The few grown steers were 4c cheaper, with the prime medium and heavy weights selling from 290c to 307c/kg. Grown heifers finished dearer with the better types selling from 250c to 298c/kg. Plain conditioned cows were firm, while the better finished cows were 9c/kg cheaper. 2 score cows sold from 154c to 204c while the better 3 and 4 scores sold from 200c to 275c/kg for outstanding C muscle Charolais cows. The prime heavy weight cows averaged 244c/kg. Bulls sold to 265c/kg.
