

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Dubbo

report date 12/09/2019

Yarding 5530
 Change -920

comparison date 05/09/2019

The quality doesn't change much week to week with good numbers of young cattle lacking finish along with good numbers of cows. There were odd pens of well finished trade cattle and grown steers and heifers coming off crops or grain along with a fair supply of feeder cattle. All the regular processors were operating though not all the regular feeder operators were present. South Australian restocker buyers were also absent however they were replaced by the return of a southern NSW restocker.

Young cattle to the trade were 12c dearer with prime steer yearlings selling from 294c to 333c while the prime heifer yearlings sold from 256c to 317c/kg. Feeder cattle were 6c to 10c cheaper with the feeder steers selling from 220c to 304c while the feeder heifers sold from 208c to 290c/kg. Young cattle to the restockers were firm for the better quality calves and up to 15c/kg cheaper for the plainer types. The young steers sold from 150c to 316c while the young restocker heifers sold from 75c to 266c/kg.

Grown steers and heifers were 4c to 8c dearer with the prime steers selling from 284c to 336c while the grown heifers sold to 329c/kg. Cows were 4c to 8c dearer with the 2 scores selling from 137c to 218c/kg. The better 3 and 4 scores sold from 200c to 269c with the prime heavy weights averaging 248c/kg. Bulls sold to 280c/kg.
