

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Dubbo

report date 26/09/2019

Yarding 3525  
 Change 365

comparison date 19/09/2019

It was a mixed yarding comprising of odd pens of well finished trade cattle, along with some good pens of ideal feeders. A fair percentage of the yarding was made up of young cattle lacking finish along with good numbers of cows and the cow quality was good. There were limited numbers of grown steers and heifers. Not all the regular buyers were present with the absence of a couple of southern export processors. A southern restocker buyer was also absent, though he was replaced by the return of a central Victorian restocker.

Young cattle to the trade were 10c cheaper, with the prime steer yearlings selling from 265c to 303c, while the prime heifer yearlings sold from 248c to 295c/kg. Feeder steers were 5c to 9c dearer, while the feeder heifers were 6c to 10c/kg cheaper. The feeder steers sold from 210c to 305c, while the feeder heifers sold from 233c to 269c/kg. Young cattle to the restockers were 15c dearer with the young steers selling from 122c to 293c, while the young restocker heifers sold from 142c to 245c/kg.

Grown steers finished firm to 3c dearer with the prime medium and heavy weights selling from 260c to 305c/kg. Grown heifers were 5c dearer, selling from 260c to 301c/kg. Plain conditioned cows were 10c cheaper, while the better finished cows were 3c to 5c/kg dearer. 2 score cows sold from 130c to 203c, while the better 3 and 4 scores sold from 206c to 259c, with the prime heavy weights averaging 243c/kg. Bulls sold up to 255c/kg.
