

HANCOCK AGRICULTURE

TECHNICAL ASSISTANT | CAIGAN-GLENCOE, NSW

Hancock Agriculture, incorporating S. Kidman & Co Pty Ltd and Hancock Prospecting Pty Ltd Services, is a world-class agribusiness with 30 properties across Australia spanning 10 million hectares. We are one of the country's largest producers of beef with a herd of over 320,000.

Caigan and Glencoe are breeding properties for Hancock Agriculture's 2GR Fullblood Wagyu herd. An exciting opportunity is available for an experienced **Technical Assistant** to join the Caigan and Glencoe team.

The properties are located close to the active rural communities of Dubbo and Coonabarabran in New South Wales. Our aim is to produce the world's best Wagyu beef, with an eye to innovation, new technology and farm sustainability. Teamwork, the ability to adapt and the desire to see a job well done are the most important qualities for working within the Hancock Ag team.

Reporting to the Property Manager, the Technical Assistant will be responsible for maintaining accurate records of the Wagyu breeding programs on site, as well as undertaking general administration duties.

To be successful in this role you will:

- Have experience in data capture and livestock recording systems e.g. Stockbook
- Be responsible for all aspects of data integrity, including management of the relevant NLIS database
- Have the ability to work in a team environment, both crush side and in administration
- Be able to communicate well, both up and down the reporting chain
- Have strong attention to detail
- Be proficient with Microsoft Office™ applications (Word, Excel and PowerPoint)
- Hold a current Drivers Licence

In addition, troubleshooting and problem solving skills, the ability to organise and prioritise tasks and a strong commitment to workplace health and safety is required.

Remuneration will be commensurate with experience. Quality onsite accommodation is available.
