

Cattle A.I. Sales Representative
Hunter Valley, New England & North West areas
Based from Scone

Full time x 4 days per week

This is a fabulous opportunity for a rural person with a strong interest & knowledge of dairy & beef cattle and reproduction.

The role will involve;

- sales of dairy & beef semen and ear tags
- delivery of 25 kg tanks of liquid nitrogen (LN2) from our Client's Scone base to Doctor's surgeries & farms in the Hunter Valley, Scone, Gunnedah & Tamworth regions on an ongoing basis
- artificial insemination skills (if possible) when required, in peak periods
- ordering and dispatch of semen and supplies to clients

You must have;

- an outgoing personality with the ability to liaise comfortably, knowledgeably and build rapport with rural clients
- sound computer knowledge including social media
- excellent record keeping skills
- the natural motivation to be a self-starter who is also comfortable to work alone at times
- a clean, current driving license
- ideally, have knowledge of/experience with, artificial insemination procedures (training will be provided, if required)
- been vaccinated for Q Fever, or preparedness to be vaccinated

An attractive remuneration will be negotiated with the successful applicant and a modern air conditioned van will be provided for deliveries.

Applications for this interesting opportunity should be forwarded quoting Ref. no. 1022BC by email to admin@emeryhr.com.au

Confidential inquiries may be directed to Margo Emery on 0409 385667.

Please note that a response will be sent to the email address from which you apply.

We encourage you to use a private or confidential email address at all times.
