

National Sales Manager | Beef | Feedlot

THE COMPANY

Our client has a 40 year history of manufacturing and marketing agricultural commodities, providing the livestock sector with quality products to maximise animal production performance. The company has been a respected supplier to poultry, beef, dairy pig, aquaculture and equine sectors.

THE ROLE

An opportunity has arisen for a Market Manager to represent the company's products and to promote them to the feedlot sector. Products include proteins, oils, fibres and by-products.

RESPONSIBILITIES

- Identify sales opportunities and develop relationships with potential clients with the view to securing sale of company products into the feedlot animal feed sector
- Establish and manage budgets for the company's products in the feedlot sector.
- Report on market activities and trends

REQUIREMENTS

- Prior experience in agriculture sales and/or commodity trading is essential
- Experience in beef cattle production and/or experience in the beef feedlot sector would be highly regarded but is not essential
- Good communication skills and the ability to develop relationships

The position will involve travel

LOCATION

Springwood area, South Brisbane

REMUNERATION

An attractive salary package will be offered to the successful candidate and will include base salary, superannuation, use of a vehicle, phone, computer and performance bonus.
