

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Dubbo

report date 10/10/2019

Yarding 4135  
 Change 35

comparison date 03/10/2019

Yearlings lacking finish and cows made up the bulk of the yarding along with good numbers of grown heifers as the selloff continues due to the dry conditions. There were very few grown steers yarded and only limited numbers of well finished trade cattle. Most of the regular processors were operating however a regular Victorian restocker did not attend.

The few young cattle to the trade were 5c to 9c cheaper with the prime steer yearlings selling from 282c to 300c while the prime heifer yearlings sold from 265c to 280c/kg. Feeder steers were firm while the feeder heifers were up to 8c/kg cheaper. The feeder steers sold from 247c to 304c while the feeder heifers sold from 206c to 280c/kg. Young cattle to the restockers were up to 30c cheaper with the young steers selling from 100c to 308c/kg. Young restocker heifers sold from 106c to 249c/kg.

The few grown steers were around firm with the prime medium and heavy weights selling from 275c to 309c/kg. Grown heifers were firm to 5c dearer selling from 245c to 291c/kg. Cows were 4c dearer with the 2 scores selling from 110c to 210c/kg. The better 3 and 4 score cows sold from 201c to 265c with the prime heavy weights averaging 243c/kg. Bulls sold to 276c/kg.
