

Lake Nash Station is a cattle station on the Georgina River in the Northern Territory wholly family owned by Georgina Pastoral Company. Lake Nash is in an enviable location with access to school, nursing clinic and police at the local community 8km from the homestead and also only 240km to Mt Isa. We have the following opportunities available for long term staff interested in job security.

MC Driver

- Must hold current MC licence (and able to transfer licence to NT)
- Previous cattle carting experience required
- Sound knowledge of general maintenance an advantage

Mustering Pilot

- Junior or Experienced applicants welcome
- Low Level and Mustering Endorsements required
- Previous cattle work/station hand experience a must
- Flexible enough to carry out other station tasks/roles when not flying

Head Stockman

- Prior experience on a large-scale cattle station with the ability to carry out the mustering program as well as all associated duties (mustering, processing, trucking, walking away)
- Experienced horseperson with the ability to maintain the welfare of all camp horses
- Effective people management with the ability to mentor and train staff, with good leadership skills
- Awareness of and responsibility for OH&S requirements
- Quiet cattle handling and ability to prioritise cattle welfare
- Attention to detail, as well as being neat, tidy and organised (with the ability to ensure maintenance of all stock camp gear and stocktake of cattle husbandry consumables)
- Good record keeping with the ability to complete appropriate reporting
- Honest and reliable

Assistant Manager

- Prefer MC and helicopter licences, but not essential for right candidate
- Must have a solid work ethic and the ability to run operations on a day-to-day level in keeping with the cattle work program
- Ability to problem solve and think on your feet
- Extensive experience with mentoring and training staff and a commitment to Workplace Health and Safety
- Trustworthy and hardworking individual that can work closely with the Manager to undertake and complete seasonal cattle work and long-term infrastructure development

All positions come with attractive remuneration packages, inclusive of accommodation, all meals and salary. The station also has access to recently installed 4G Telstra reception. Accommodation is available for families/couples.

For a confidential discussion please contact Erin or Natalie at Lake Nash Station, on 07 4748 4877/0417 226 541 or via email lakenashstn@georginapastoral.com.au.
