

We are currently offering opportunities for highly motivated, self-starters to join a dedicated and enthusiastic team based in **The Riverina- NSW**. If you want to be part of a dynamic team in the agricultural industry, we would love to hear from you. Our Client is a 53,333-capacity feedlot situated between the popular townships of **Leeton and Narrandera - NSW**. We are currently offering the opportunity to further develop their horsemanship, cattle handling, livestock diagnosis & treatment skills as important members of our Livestock team. We currently have **3 positions available**:

**Induction Processor** - Prepare and complete all necessary activities to induct new cattle into the Feedlot, including weighing, administering animal treatments and conducting animal breed/type assessments.

**Livestock Handlers:** Previous cattle handling and horsemanship experience would be advantageous. Diagnosing and drafting cattle for treatment, administration of animal health treatments and maintaining accurate records of animal treatments and stock movements.

**Pen Riders: Must have at least 2 Horses of their own with proven skills.**

Daily livestock handling including pen riding and stock movements, diagnosis of animal health symptoms and administration of animal health treatments. Maintaining accurate records of animal treatments and stock movements

**Our Clients are offering fantastic opportunities for all new applicants to complete a Cert III in feedlot operations. Competitive hourly and overtime rates on offer.**
