

PEN RIDER

- **Based – Myola Feedlot, Northwest NSW**
- **Proactive Team Environment**

Myola Feedlot is a modern 20,000 head capacity feedlot situated in the heart of the “Golden Triangle” in northwest NSW and is 70km from Goondiwindi, 60km from Moree and 50km from Wyallda. Myola is integral to Bindaree Beef Groups’ supply chain, ensuring the delivery of a consistent supply of cattle to Bindaree grain fed brands.

An exciting opportunity has become available for an experience pen rider with demonstrated abilities in animal husbandry, livestock handling and horsemanship.

Reporting to the Livestock Manager you will be responsible for:

- Continual monitoring of cattle health
- Treating cattle
- Drafting and moving cattle
- Maintain troughs and hospital facilities
- Assist in the processing shed, loading and unloading area.

Skills / Experience Required:

- Ability to diagnose animal health symptoms and treat with the appropriate protocols
- Competent horsemanship skills
- Supply at least 2 horses suitable for the job with own tack
- Excellent livestock handling skills
- Communication skills and able to work within a team
- Show initiative and willingness to learn.

As part of your employment package meals will be provided for lunch and dinner, along with on-site single accommodation.

If this opportunity is the right for you, please send your resume to corina.muckenschnabl@bindareebeef.com.au or to discuss your interest in confidence please call Corina on 0428 332 585.
