

LOCATION: Central Highlands, QLD

PROPERTY: Fork Lagoon

PRODUCTION TYPE: Seedstock, Backgrounding and Fattening

Hewitt Cattle Australia (HCA) is a progressive, innovative and expanding large- scale livestock enterprise recognised for employing best practice management techniques across its operations. The company has over 40 years' experience in successfully owning and operating grazing assets throughout Queensland, Central Australia and New South Wales.

HCA presents an exciting opportunity for a couple at Fork Lagoon, Emerald QLD. We are seeking an experienced Station Hand to work both autonomously and alongside the Station Manager to deliver on mainly commercial herd requirements, including a Seedstock division. The successful candidate will demonstrate a strong work ethic, experience in a beef cattle operation and confident in all areas of cattle husbandry.

The second position presented involves a variety of station domestic duties such as maintaining Fork Lagoon's exceptional facilities and large gardens. Cooking two meals a day for approximately 3 people plus a few extras from time to time is also a requirement of this role.

Fork Lagoon is situated only 30kms west of Emerald and within proximity to the school bus run, this is well suited to a family or a couple looking to enjoy all that the Central Highlands has to offer. The position holds an exciting opportunity for career progression within Hewitt Cattle Australia, a recognised leader in the agricultural industry.

If you are confident in your ability to deliver on operational requirements at the property level and have high standards you will enjoy being part of the HCA team. Please email your comprehensive resume and two references to careers@hewittcattle.com.au.
