

## Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

### Roma Store

report date 26/11/2019

Yarding 5312  
 Change -1368

comparison date 19/11/2019

Cattle numbers continued to fall, down by 1,368 to 5,314 head at the Roma Store Sale. Cattle were drawn from the usual supply area which has experienced patchy rainfall in the past week. The sale commenced with two head donated to the Lachlan Hughes Foundation grossing just over \$6000. A larger panel of buyers was present and operating over a yarding of mixed quality which was reflected in the prices. Steers and heifers again dominated the yarding. Prices varied greatly across the yarding with steers and lightweight heifers mostly improving while cows eased significantly. The largest sample of light weight yearling steers under 280kg to restockers rose by 13c/kg. Medium weight yearling steers under 330kg to restockers rose by 10c/kg. Medium weight yearling steers under 400kg to feed rose by 7c/kg. Light weight yearling heifers under 280kg fell by 3c/kg. Medium weight heifers under 330kg to restockers fell by 3c/kg. Medium weight heifers under 400kg to feed rose by 19c/kg. Medium weight 3 score cows fell by 31c while the heavy weight 3 score cows fell by 30c/kg. Heavy weight bulls remained unchanged but lighter bulls eased.

A large sample of light weight yearling steers under 280kg to restockers sold to 300.2c to average 286c/kg. Medium weight yearling steers under 330kg to feed sold to 304.2c to average 285c/kg. Medium weight yearling steers under 400kg to feed made to 318.2c to average 296c/kg. Light weight heifers under 280kg were present in numbers and sold to 266.2c to average 246c/kg. Medium weight heifers under 330kg to restockers sold to 268.2c to average 251c/kg. Medium weight heifers under 400kg to feed made to 260c to average 251c/kg.

The best of the medium weight grown steers made to 255c to average 255c/kg. Grown heifers sold to a top of 234.2c to average 234c/kg. Medium weight 3 score cows sold to 215c to average 200c while the heavy weight 4 score cows sold to 212.2c to average 205c/kg. The largest sample of heavy weight bulls sold to 282.2c to average 267c/kg.
