

STATIONHAND

Experienced stationhand position is available on property located north west of Charters Towers, Queensland.

QUALITIES required for applicants include:

- Good horsemanship (including shoeing)
- Experience handling big numbers of cattle is essential
- Motorbike also used for mustering and fence maintenance
- Welding and basic mechanical skills an advantage

In return for good work conditions and generous wage package, a solid work ethic, initiative and a willingness to “go the extra mile” is expected.

A partner keen on casual work is a big plus (regular domestic & caretaking, some outside)

3 bedroom a/c cottage in fenced established garden: base internet rates, phone rental , power included as well as basic furniture, all whitegoods and large veranda. No school bus.
