

## Quality Assurance Manager | Food

- World Class Food Manufacturing
- Long Established – nearly 50 Years
- Products for Domestic and Export

### THE COMPANY

Our client is a long established and trusted provider of high value quality food products which are marketed locally and exported around the world as a result of their strong strategic relationship with a major food retailer. The business has recently upgraded its production facilities to be one of the most modern of its kind in Australia and amongst the best in the world.

### THE ROLE

A vacancy has arisen for an experienced Quality Assurance Manager to lead the quality team and to work closely with both internal and external stakeholders to ensure the highest standards of food quality and safety of the company's products.

### RESPONSIBILITIES

- Develop and maintain the Food Safety and Quality System to ensure the delivery of a quality, wholesome and compliant product.
- Maintain required quality certification including HACCP, SQF, GMP and others as required.
- Lead the quality systems team and foster and encourage a culture to ensure the highest standards of quality are met and continuously improved.
- Oversee, audit and report on the Food Safety and Quality System and associated corrective actions.
- Develop strong working relationships with both internal and external stakeholders.

### REQUIREMENTS

- Tertiary qualifications in quality and food science or similar.
- At least five years' experience in quality systems gained in a food manufacturing environment of which at least two years has been in a senior leadership role.
- Prior experience with HACCP, SQF, BRC or QMS quality systems and leading and meeting the requirements of quality systems for major food retailers or for export markets.
- Demonstrated experience in establishing a high-performance quality culture.

### REMUNERATION AND LOCATION

A remuneration package will be negotiated which reflects the seniority of this role and the experience of the candidate. The role is based regionally in southern New South Wales.

### TO APPLY

Please apply online before the closing date of January 31<sup>st</sup>, 2020.

Please contact Dr. Ray Johnson Senior Agribusiness Consultant & Managing Director by phone (0419012841) or email (ray@agri.com.au) for a confidential discussion on the role if required.
