

# BINDAREE BEEF GROUP

## Property Manager

- **Based – North West New South Wales**
- **Permanent Senior Leadership Position**

Bindaree Beef Group is a vertically integrated supply chain business delivering global meat solutions both domestically and internationally, and has solidified its position as a prominent leader in the Australia meat industry.

We currently have an opportunity for a motivated and experienced Property Manager who is highly skilled in the running of a large diverse rural property. Based in North West New South Wales the successful candidate will report directly to the Group Livestock Manager, and will manage the staff, contractors and daily operations of a large aggregation of mixed cropping and stock enterprise operations.

### **In this role you will be responsible for:**

- Establishing, leading, mentoring and developing the team across a number of divisions including the feedlot, livestock and cropping operations;
- Positively promote and support Company values and instil right culture aligned to Company expectations with the team;
- Ensure all work practices are implemented in line with WH&S and the safety-first culture, understand that people safety is our number one priority;
- Support Company Quality Assurance and Environmental Protection Agency programs to ensure compliance, and implement sustainable practices going forward;
- Management and accountability of budgets and P&L;
- Prepare and deliver short and long term operational plans to support the Group Livestock Manager;
- Project management of Capital works and development programs;
- Develop and maintain relationships with key suppliers, partners and customers.

### **To succeed in this role you will have:**

- Minimum of five (5) years' experience in a similar role;
- Strong communication and leadership skills with the ability to foster accountability and an outcome focused culture;
- Experience in goal setting, forecasting and planning, and budget and cost control;
- A high standard of diligence, professionalism and can-do, hands-on attitude;
- Excellent organisational and project management skills within a diverse environment;
- Effective management of project and capital expenditure processes.

### **Qualifications:**

- Degree in Animal Science or Agricultural Business would be an advantage but is not essential
- Current Driver's Licence

We are looking for someone with an innovative and management focussed outlook to ensure all operations enhance business performance and supports the long-term interest of the company. An attractive remuneration package will be negotiated to reflect skills and experience.

To apply please submit your resume and cover letter, quoting Vacancy Reference Number 1065/2020, to [hr.inverell@bindareebeef.com.au](mailto:hr.inverell@bindareebeef.com.au) or alternatively for a confidential discussion about this role, please contact Donna Parker on 02 67 211 411.

Applications close: Friday 14<sup>th</sup> February 2020

*Please note, applications will be assessed on an ongoing basis and therefore we encourage you to apply at your earliest opportunity.*
