

Hamilton Park Wagyu is looking for permanent employees. Singles or couples welcome to apply.

Applicants will need to have sound mechanical knowledge of farm machinery. Livestock and animal husbandry experience is essential.

Duties, and selection criteria, will include –

- mustering, drafting and weighing cattle on a monthly basis
- take part in general farm duties such as water maintenance, fencing, tractor work and feeding cattle
- must have a willingness to learn stockbook computer software
- must be able to ride a motorbike. Licence for HC/MC would be a plus.
- must hold open driver's licence and have own transport.

This position requires someone who is able to cope with the high intensity of our wagyu beef enterprise.

Accommodation is provided, wages will be discussed upon application and interview.

References required for application of position.
