

## **STATION MANAGER & STATION MANAGER'S ASSISTANT – KAMILAROI**

Stanbroke is an Australian family owned integrated beef and cattle company. Stanbroke operates a number of cattle stations in northern Queensland, backgrounding and feedlot operations in southern Queensland and a fully accredited beef processing facility on the Lockyer Valley.

We are seeking a cattle station manager and manager's assistant at Kamilaroi station which is an exceptional 30,000 head breeding & backgrounding property located 180 km north of Cloncurry.

The successful station manager applicant will have extensive knowledge and experience in the management of large cattle herds, people management, property maintenance and financial management. Being part of a large family owned company, the applicant will be well resourced, have shorter communication channels, greater autonomy and clear long-term objectives.

The station manager's assistant position will be responsible for all administration duties for the station.

Strong communication skills, both written and verbal along with good computer skills are essential for both positions.

A suitable and attractive package will be offered to the right candidates.
