

# Feedlot Supervisor

Western Australia  
Full time

## About us

Central Agri Group is seeking to appoint a highly dedicated, experienced and energetic Feedlot Supervisor for our well-established feedlot and backgrounding operation based Cataby, Western Australia.

Central Agri Group's Joanna Plains farm, feedlot and Backgrounding facility spans across 9,000ha and is located 170km north of Perth in Cataby, Western Australia. At Joanna Plains we have the capacity to lot feed and background 13,400hd of Cattle year-round.

## About the role

The Feedlot Supervisor will take responsibility for the day to day operations of the 10,400 head backgrounding facility and 3,200 head NFAS accredited feedlot, which will include but is not limited to management of daily feeding, continual monitoring of cattle health and welfare, assist with preparing cattle for drafting and loadout, manage the ordering and scheduling of commodities, maintain all feedlot administration and record keeping, supervise the milling of grain, manage and maintain cleaning schedules of all pens and troughs, manage maintenance schedules, manage appropriate staffing levels and drive team efficiencies, maintain high levels of communication with all team members and management staff.

## Duties and Responsibilities:

- Proven experience working within an intensive feedlot/backgrounding environment
- Experience in administering feedlot software systems specifically Elynx BMS
- Experience in managing the milling of grain, commodity ordering and scheduling
- Experience operating machinery including but not limited to tractors, Telehandlers, Supreme tub mixing wagons
- The ability to manage a team and drive performance and efficiencies
- Effective management of documentation and reporting
- Maintain plant and site hygiene and housekeeping
- Be committed to your role, your team and our customers

## Required qualifications and experience:

- Relevant qualifications & experience in
- Hold a valid driver's licence (MR truck licence is desirable).
- Strong communication and interpersonal skills; able to communicate with people at all levels effectively
- Demonstrated ability to work safely
- Good time management and work prioritisation skills
- A keen attitude and willingness to learn
- Basic computer knowledge
- Ability to Lead and manage a team
- A tertiary qualification or degree in Agriculture is desirable but not essential

The successful candidate will share our passion for cattle, be a committed team player who takes ownership and accountability in their role as well as an uncompromising approach to working safely whilst ensuring quality results.

**The Assistant Feedlot Supervisor will be rewarded with:**

- Accommodation - located onsite
- A permanent position with attractive remuneration
- Work vehicle
- Career progression opportunities
- Tailored external and internal training and career map
- Opportunity to work for an industry leader

This role is with one of Australia's fastest-growing agribusinesses and there will be great long-standing career prospects and professional growth opportunities on offer for candidates as we continue our growth.

If you feel you are suitably qualified with the required experience and are interested in applying for this role then please send in your current resume and a brief cover letter too;
