

Palgrove is one of Australia's leading suppliers of Charolais and Ultrablack beef cattle and is currently expanding its operation to include large scale commercial cattle production.

An opportunity exists for a motivated, experienced and well organised **Property Manager** for our Central Qld property at Emerald. This role requires at least three years' experience at manager level overseeing beef cattle production and pasture management.

Reporting to the Operations Manager, this position involves:

- Operational property planning
- Cattle husbandry management
- Responsibility for WH & S
- Collecting and managing data under the stud recording system
- Developing and implementing pasture and infrastructure development plans
- Budget planning and reporting

You will have capacity and experience in the following areas:

- Broad knowledge of intensive grazing operations and pastures
- Sound computer skills
- Strong communication and interpersonal skills
- Workplace safety and employee wellbeing
- Accuracy & attention to detail
- AI competency and HR truck licence would be an advantage

A salary package will be offered in line with the responsibility associated with this position. An attractive 4BR brick home is available on property and only 25kms from the major centre of Emerald.

Palgrove's expanding beef enterprise offers the opportunity to develop your career with an industry leading company offering training and advancement.

Please email a resume, detailing experience and two referees to:

Palgrove Operations Manager: mwalker@palgrove.com.au

Applications close **27th March 2020**
