

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 10/03/2020

 Yarding 2813
 Change -578

comparison date 03/03/2020

The trend for smaller yardings off the back of an improved season continued to today at the Roma Store Sale with 2,813 head yarded, down by 578 head from the previous week. Cattle were mostly drawn from the local supply area with a large single vendor line from Windorah. A good panel of buyers including restockers was present and operating to strong demand. Steers and heifers were yarded in equal number, and the quality of the yarding was good and included a large number of PTIC heifers. Prices remained firm on last week's sale, with steers and heifers improving in some categories, with heavy weight cows remaining at similar levels.

The limited numbers of light weight yearling steers under 200kg to restockers sold to a top of 478.2c to average 472c/kg. Medium weight yearling steers under 330kg to feed sold to a top of 436.2c to average 433c/kg. Heavy weight yearling steers over 400kg to feed made to a top of 424.2c to average 414c/kg. The small number of light weight yearling heifers under 200kg to restockers sold to a top of 458.2c to average 458c/kg. Light weight yearling heifers under 280kg to feed or background reached a top of 422.2c to average 409c/kg. Medium weight yearling heifers under 330kg to feed made to a top of 410.2c to average 400c/kg.

There were limited numbers of grown steers yarded. The best of the grown heifers made to 348.2c to average 344c/kg. Medium weight 4 score cows sold to 306.2c to average 304c/kg. Heavy weight 3 score cows made to 297c to average 287c, while the 4 score heavy weight cows reached a top of 315c to average 306c/kg. The best of the heavy weight bulls made to 335c to average 324c/kg.
