

## Livestock Leading Hand

A full-time position is available for a Livestock Leading Hand at Stanbroke's 30,000 head feedlot, located at Chinchilla on the Western Darling Downs.

Stanbroke is an Australian family owned integrated beef and cattle company. Stanbroke operates a number of cattle stations in northern Queensland, backgrounding and feedlot operations in southern Queensland and a fully accredited beef processing facility in the Lockyer Valley.

This position is suited to an appropriately skilled, self-motivated and energetic person capable of undertaking pen riding and general livestock work. The main duties performed in this hands-on role include supervising staff in cattle movements and mustering, handling cattle at arrival, drafting and dispatch, monitoring animal health and wellbeing and general yard maintenance. Applicants with feedlot experience in a similar role will be highly regarded in the selection process.

### Key Attributes Required:

- A high level of competency working with livestock utilising low-stress livestock handling
- Excellent communication skills and time management capabilities with the ability to complete daily tasks in an efficient manner
- A good understanding of animal welfare practices, quality assurance, and workplace health & safety
- The ability to lead and develop a team of staff
- The capability to record and report information with a strong focus on attention to detail

Single onsite accommodation options are available to the successful applicant, if required.
