

Feed Mill Supervisor

A full-time position is available for a Feed Mill Supervisor at Stanbroke's 30,000 head feedlot, located at Chinchilla on the Western Darling Downs.

Stanbroke is an Australian family owned integrated beef and cattle company. Stanbroke operates a number of cattle stations in northern Queensland, backgrounding and feedlot operations in southern Queensland and a fully accredited beef processing facility in the Lockyer Valley.

This position is suited to an appropriately skilled, self-motivated and energetic person, the Feed Mill Supervisor is responsible for the coordination and supervision of the feed mill staff and tasks. The main duties performed in this role include forward planning of tasks and staff rostering, assisting with the implementation of new policies and procedures, feed allocation, grain processing, and commodity management.

Applicants with feedlot experience in a similar role will be highly regarded in the selection process.

Key Attributes Required:

- The ability to lead and develop a team of staff.
- Excellent communication skills and time management capabilities with the ability to complete daily tasks in an efficient manner
- A good understanding of animal welfare practices, quality assurance, and workplace health & safety
- Experience operating and maintaining plant and machinery
- The competence to record and report information with a strong focus on attention to detail
- Demonstrate the capability to use modern technologies

Onsite accommodation options are available to the successful applicant if required.

If you are interested in applying for this position forward your resume to hrfeedlot@stanbroke.com or send via post to Manager Feedlot Stanbroke Beef 1847 Greenswamp Rd, Chinchilla QLD, 4413
