

Feeder/Stockperson needed for Iconic Family Farming Business - For Feedlot, 65km west of Dalby

- **Generous above-award wages.**
- **Live a low-cost, rent-free country lifestyle** – newly renovated house, horse paddock (suit max 5 horses) plus free electricity.
- **Good work/life balance** – work only one in every 3 weekends.
- **Enjoy job security by working for a successful Australian family farming business**
- **Be cutting edge** – we have been finalists twice in the Feedlot Of The Year Awards

About Us:

Talbingo Pastoral Company owns 41,567 hectares over 9 agricultural properties at Dirranbandi, Dalby and Tara and has been a finalist twice in the *Feedlot Of The Year Awards*. We own every step of the supply chain through cattle breeding, backgrounding and a Santa Gertrudis cattle stud, dryland grain and cotton, irrigated cropping, a 3,000 head Standard Cattle Units (SCU) feedlot and custom feeding.

About the Role:

We are seeking an experienced and motivated Feeder/Stockperson for the 3000 head feedlot on our Dalby property. Reporting to the Farm Manager, you'll be a motivated self-starter and your primary responsibility will be the feeding in the feedlot, in addition to machinery maintenance, cattle health observation and some livestock handling. This includes activities such as optimising the feed for each animal to get the best results; mixing and delivering feed rations; inputting data into Bunk Management System; and grain processing. We'll also be relying on your mechanical knowledge to identify potential malfunctions or problems, and service machinery when required, so that the feedlot and property is maintained effectively. There will also be some station work at different times of the year.

Ideally, you'll be someone who is use to and enjoys working on your own, though you must also be able to work collaboratively and amicably with others in the team when required, such as when we are inducting cattle. This is a fantastic opportunity for someone who is hard-working and motivated and is looking to grow their skills and knowledge in the cattle industry.

Selection Criteria:

- Past feedlot experience in a similar role.
- A genuine demonstrated interest or experience working with cattle.
- Practical mechanical aptitude and/or a working knowledge of basic mechanical servicing and maintenance.
- A positive past safety record and a proven ability to operate plant and machinery safely
- Proven history of working well as part of a team.
- Current manual driver's licence.
- Past experience living/working in a rural area is advantageous.
- A demonstrated commitment to improvement and learning.

Please forward your application, including two referees, to rbridle@talbingo.com.au
