

Load Out Supervisor – 3 Positions Available

ABOUT THE COMPANY

MezSeven (a part of the Shed 7 Group) has proudly partnered with an Australian meat production organisation located just an hour from Queensland's Sunshine Coast to recruit multiple Load Out Supervisors to drive and lead key deliverables across the Cold-Chain and Warehouse operations. With a global reach, focus on innovation and culture, this organisation is looking for multiple like-minded candidates to join the organisation as soon as possible in permanent positions

CULTURE

Motivated by the Australia's global reputation as producers of some of the worlds best beef, this company aims to use innovation and a people focus approach to benchmark their operations and culture. With a refreshed management team, successful candidates should expect a company that values its people and their contributions to their company vision.

ABOUT THE ROLE

The new Load Out Supervisors will work with all levels of the business to strategically lead, manage and coordinate teams to promote and exceed on company objectives across the cold chain and warehouse. A snapshot of the key responsibilities are as follows:

- Manage a 24/7 operation, working with all levels of the organisation to ensure customer service needs are met throughout cold chain and warehouse activities
- Coordinate communication and activities to ensure that compliance, quality, safety and efficiency standards are met
- Collaborate with internal and external stakeholder across the organisation to continuously improve company activities
- Lead, train and develop teams within warehousing and cold-chain teams
- Promote company objectives and ethos to ensure high standards and a positive working environment are achieved

SELECTION CRITERIA

To be considered for this role, successful candidates will possess the following:

- Extensive logistics/supply chain management experience from the food production industry or similar background
- Highly adept skills across management, communication, quality and safety
- Extensive experience across all dispatch activities.
- Proven experience managing WHS, quality and food safety standards/policies and procedure in accordance to company and government standards
- Leadership skills with a focus on diversity, inclusion and people development

- Personal motivation to be an integral part of the organisation, with a view to establish a long-term career within the organisation
- Ability to work on and coordinate a 24/7 roster

HOW TO APPLY

anna.creecy@mezseven.com.au

PLEASE NOTE: This role is a permanent position and therefore, we will be unable to consider working holiday visa applicants.
