

Livestock Manager

Tumbarumba Location, Top Salary

The Ardenside Angus amalgamation has holdings running from the Murray River to Tumbarumba. This is a highly productive group of properties with Angus cattle, Merino sheep and cropping enterprises.

We are looking for a competent and experienced operator with livestock husbandry, selection and management skills. Someone who is motivated, can manage staff and wants a long term career with us. You must have good working dogs and be a great communicator. Ideally we would like you to have tertiary qualifications and computer skills.

Apart from a generous salary you will be provided with a company work vehicle and a newly renovated 4 bedroom home located only 17km from Tumbarumba on a sealed road.

Based at the foothills of the Snowy Mountains, situated in the heart of high country wineries, and on the doorstep of renowned freshwater fishing, snow ski fields, kayaking waters, water ski dams, cycle ways and not too far from Wagga and Albury.

Rarely does an opportunity come up like this which offers the career opportunities, idyllic location and a great salary.

Please send us your resume and references by 8th June 2020 to:
