

Feedmill / Machinery Operator – Goondiwindi, Qld

Smithfield Cattle Company is a family owned, values driven, cattle operation, growing and marketing cattle both domestically and internationally.

We are currently seeking an experienced and motivated Operator for our expanding Sapphire Feedlot. Reporting to the Mill Supervisor, we require a person who has a recent similar experience, an interest in the feedlot industry and a desire to achieve their best every day.

Key Duties and Responsibilities include:

- Feed delivery
- Batching of commodities
- Machinery operation
- General maintenance of feed mill plant and equipment
- Contributing to other areas of the feedlot as required

Essential Requirements:

- Experience in machinery operation
- Understanding of feed mill operations
- Current drivers' licence
- Effective teamwork skills
- Willingness to work a 10:4 roster

We offer competitive remuneration, training & career development and all the benefits of a great workplace.

At Smithfield, Staff are duly considered the most valuable part of the enterprise.
