

NORTH AUSTRALIA BEEF RESEARCH COUNCIL Inc

Chairman (part time)

The North Australia Beef Research Council Inc (NABRC) is seeking to appoint a Chairman for our challenging and influential research, development, extension, and adoption (RDE&A) leadership role working with a wide cross-section of participants in the north Australian beef industry.

We invite applications from persons with significant knowledge of, and experience in, the north Australian beef industry and who understand the industry's RDE&A needs and challenges. This role includes fostering effective networks between the beef industry, RDE&A investors, providers, and other key organisations. A key responsibility is to lead and mentor a team of Regional Beef Research Committee (RBRC) chairs to facilitate communication between beef producers and other key industry stakeholders.

Applicants will participate in industry consultative committees, attend periodic meetings involving NABRC core business and RBRC meetings across the NABRC regions. The Chairman is a member of Meat and Livestock Australia's Red Meat Panel. This role offers an opportunity to influence and guide the future direction of RDE&A for the north Australian beef industry. The role requires considerable vision and commitment and provides exciting challenges to a motivated communicator and leader.

The expected time commitment is approximately 100 days per year, plus travel. An honorarium is paid and the role is supported by a Secretariat. The position description and selection criteria are available from Janine King, NABRC Secretary secretariat@nabrc.com.au or mobile 0419 735542.

Applications close 5pm, Tuesday 1 September 2020.
