Mort & Co

Mort & Co is a leading beef feedlot specialist in Australia. Our Grassdale Feedlot has recently undergone a major expansion, making it the largest in the country.

We currently have an exciting opportunity for a new recruit to join our feeding and milling team. Previous experience is not essential; however, a passion for agriculture and the beef industry would be advantageous. This position would be ideal for someone that is keen and eager to learn, and willing to contribute to a great team and culture.

We are looking for people who:

- Like to work as part of a high performing team and understand the importance of teamwork
- Are effective communicators
- Are observant and pay attention to details
- Ask lots of questions and think ahead
- Embrace technology and look for opportunities to continuously improve
- Are willing to listen, to learn and are ready to work hard

Key functions of the role include:

- Operation of modern feeding machinery and equipment
- Operation of a modern steam flaking plant
- Plant maintenance and hygiene upkeep
- Timely and accurate record keeping
- Maintaining a strong focus on Workplace Health and Safety, and following all site policies and procedures

Grassdale Feedlot is situated between Dalby and Cecil Plains. The position presents an exciting opportunity to develop with an industry-leading company, and we look forward to hearing from enthusiastic people who are seeking a career in the beef sector.

To apply, please send a cover letter and resume (inclusive of references) to:
