

“The Nowendoc Run”

Nowendoc NSW

The Nowendoc Run operates 3600ha (8900 acres) at Nowendoc in the Eastern New England district of NSW running predominately trade cattle with a breeding herd to be included in the future. The Nowendoc Run is seeking application for the position of Overseer.

Overseer

The position will give the successful applicant the opportunity to be involved in planning and property development together with planning of the work program in conjunction with the manager.

Key Duties

- Planning the work program in conjunction with the manager
- Supervision of staff and contractors
- Excellent record keeping and communication skills
- Experience using or the willingness to learn the use of Agricultural software (Stockbook and Agriwebb)
- Maintaining the equipment and property to a high standard
- Working in accordance with WH&S protocols
- Mechanical ability
- Experience with planting/boom spraying general tractor operation

Nowendoc Run works with Low Stress Stock Handling principles and working dogs would be required. Truck licence, Chemcert and firearms licence desirable.

The Nowendoc Run is located on the outskirts of Nowendoc village, adjoining the local school, and serviced by nearby Walcha (71km), Gloucester (78km), Tamworth (114km) and Armidale (120km).

There may be work available for a partner.

Salary package to be negotiated, including on farm accommodation.

Applications will close 20 August 2020

Apply in writing with names and contact details of two referees to:-
