

Feed Truck Driver

Rangers Valley Feedlot, on the Northern Tablelands of NSW 30km from Glen Innes, specialises in the production of high quality long fed beef. The operation combines a 33,000 head cattle feedlot which is currently expanding to 40,000 head as well as backgrounding and farming operations.

This is a unique opportunity to be part of a premium beef business with a strong continuing growth strategy.

A Feed Truck Driver position has become available within the Feed Crew, reporting to the Mill Supervisor. This position is full time on a 10 day on – 4 day off roster.

This position requires the operation of machinery, mainly feed trucks which disperse feed throughout the feedlot. In this position your responsibilities will include, but are not limited to - Operating a feed truck, commodity handling, basic maintenance of plant, general feedlot yard maintenance, maintain basic record keeping and compliance with WHS regulations.

Experience with operating a loader and/or other plant will be an advantage.

Successful applicants will be motivated self-starters, be able to work within a team environment with a good work ethic and have the ability to work under instruction.
