

Assistant Farm Manager

- 12,000 acres livestock and cropping
- Excellent career opportunity
- Salary Package + House

You will be assisting the Manager of 12,000 acres of highly productive country near Oberon in the NSW Central Tablelands, the aggregation is made up of multiple adjoining properties and runs a 1700 strong commercial breeding herd with a focus on Angus and Hereford, 6000 Merino ewes joined to first cross rams and over 1000 acres of fodder crops sown annually.

The Assistant Manager will help with the management of all aspects of cattle breeding, lamb production, summer and winter dry-land cropping and pasture production. As well as the marketing of all livestock and crop produce.

You will have an excellent eye for detail, be highly motivated and have natural leadership skills that reflect the organisations key desired behaviors of being honest, fair, hardworking, and reliable.

The successful candidate will have demonstrated experience across lamb production, cattle, dry-land cropping and pasture production.

This is a great opportunity to join an outstanding property in a hands-on role working closely with the Manager. It is well positioned in relation to local schools, within travelling distance to high schools in Bathurst and close to town.
