

# Farm Manager

- Attractive package including accommodation
- New state-of-the-art facility
- Mogumber WA

## THE COMPANY

Our client grows poultry for one of the largest integrated producers and marketers chicken meat in the country.

## THE ROLE

A vacancy has arisen for an enthusiastic Farm Manager for its new 8 shed broiler complex based at Mogumber WA.

## RESPONSIBILITIES

- Leadership of livestock team for a 6 shed facility;
- Livestock management to meet animal welfare and performance standards;
- Capture and record flock performance data;
- Supervision of farm workers;
- Oversee operation of shed climate control systems.

## REQUIREMENTS

- A minimum of two to three years' experience in poultry livestock management;
- Familiarity with poultry climate control systems;
- Demonstrated ability to work collaboratively and manage a small team;
- A self-starter with an affinity for livestock;
- Computer literate.

This position may equally suit someone who is an experienced Poultry Farm Manager or someone who has several years' experience as an Assistant Farm Manager who is ready for the next step in their career.

## LOCATION

Mogumber, Western Australia (90 mins from Perth).

## REMUNERATION

A generous remuneration package will be negotiated with the successful candidate. A new 4 bedroom house is being built on site for the use of the manager.

## TO APPLY

Please send your application to [resume@agri.com.au](mailto:resume@agri.com.au) or call Richard Broughton on [0413 434 353](tel:0413434353) for further information or a confidential discussion about the role.
