

Full time Station hand Position Available –

TVF Pastoral is seeking a highly motivated Station Hand based at “Minnie Downs” Tambo. We are a privately owned breeding operation.

Duties may include but are not limited to - hay cutting, fencing, mustering on motorbikes and some horse work, machinery operating, welding, bore pulling and maintenance, general mechanics and all aspects of station duties.

Additional Information:

- Minnie Downs is a breeding operation that uses a rotational grazing system that requires regular mustering and stock handling using bikes and some horse work in a low stress manner.
  - We have a new modern air conditioned house to offer with Telstra 4G service. Position would better suit a single person as it is shared accommodation with another full time station hand.
- Access to school in Tambo, local bus pick up and drop off from property.
- The successful applicant will have a high level of attention to detail, be honest, will ideally be well experienced to all aspects of livestock handling, repairs and maintenance of station plant and equipment, be mechanically minded, and be willing to develop and learn more of these skills. Tractor/machinery experience a must. Fencing experience also a must.
  - Clean, sober habits are essential to fit into our environment, with a good attitude and work ethic. You must be willing to work individually and poses a high level of communication skills.

Training and further career advancement opportunities will be available.
