

Assistant Management Couple

Stanbroke is a family owned and operated Australian cattle and beef business. A vertically integrated supply chain, Stanbroke operates stations, backgrounding, feedlot & processing operations throughout various locations across Queensland.

Due to an internal promotion, Stanbroke is looking for an **Assistant Management Couple** to manage the operations of one of our Northern Outstations in the Gulf Region of Queensland.

Reporting to the Station Manager, the Assistant Management Couple will be responsible for;

- All season effective management and planning of the outstation's livestock operations
- Support and manage an annual workforce plan
- Prepare, maintain and communicate reports to assist with meeting strategic breeding and turnoff objectives
- Effectively manage biosecurity and livestock health and welfare
- Support and implement annual maintenance and capital improvement programs
- Assist in developing and managing environmental and natural resource programs
- Prepare meals for personnel including stockcamp and contractors
- Manage the day to day operations of the outstation complex including but not limited to gardening, cleaning and general maintenance

The successful applicants will;

- Have a minimum of 2 years leadership experience
- Demonstratable experience in low stress stock handling
- Have a team orientated personality with an approachable demeanour
- Hold various licences including but not limited to;
 - Car/Truck licence (*C minimum*)
 - Motorbike licence (*Learners minimum*)
 - Gun licence (*AB minimum*)
 - High Risk Work Licences (*Vehicle Loading Crane preferred not essential*)
- Competent at cooking wholesome and nutritious meals for a team environment

Stanbroke is looking for applicants who are interested in their next career opportunity. With positive growth, this position will offer opportunities of training and professional development for a long-term career within Stanbroke.

To apply for this position, please email a cover letter outlining your experience and your resume to hrproperties@stanbroke.com
