

Farm Overseer

- **Hands On – Farm Overseer Role**
- **Regional Location near Oberon NSW**
- **3 - Bedroom Home Provided**

This unique opportunity is located 35km from Oberon, NSW and is a renowned beef cattle and sheep enterprise. We are currently seeking an experienced person with suitable leadership and livestock experience in both cattle and sheep to assist with the day to day operations of the property.

This exciting position would suit an applicant currently in a leadership position who is looking to broaden their experience in a hands-on role. The property is 8,000 acres currently carrying 700 breeders and 3000 ewes.

Duties & Responsibilities

- Be responsible for day to day livestock management using your team of dogs in a low stress stock handling environment
- Keeping accurate livestock and other paddock records
- Strong written and verbal communication skills
- To implement work programs and direct staff and contractors
- Pay attention to detail, deliver on objectives and is self-motivated
- Sound communication skills
- Commitment to the company's strong Workplace Health & Safety program by ensuring the safety of all persons on the station at all times.

Essential Criteria

- Understanding of the highest standards of animal welfare and low-stress stock handling techniques
- Demonstrated leadership with strong communication
- Strong written and verbal communication skills
- Pasture and weed management experience
- Must be able to work as a part of a tight team.
- Good problem-solving skills.
- Must be hardworking and energetic and well organised with a good attitude

A competitive salary package is on offer in a great location with a 3-bedroom home, close to school bus and schools.
