

TALBINGO
PASTORAL COMPANY

Feeder/Stockperson needed for Iconic Family Farming Business - For Feedlot, 65km west of Dalby

- **Iconic Family Farming Business, immediate start**
- **Fulltime Permanent Position, generous above award wages**
- **Good work/life balance** – 5days/week and work one in every 3 weekends.

Family owned Talbingo Pastoral Company is a vertically integrated mixed farming business south of Dalby. The business maximises various components of the agricultural supply chain through its operations of cattle breeding, backgrounding and a Santa Gertrudis cattle stud, dryland grain and cotton, irrigated cropping, and a 3,000 head Standard Cattle Units (SCU) feedlot and custom feeding.

We are searching for an experienced and motivated Feeder/Stockperson for our 3000 head feedlot on our Dalby property which is located approximately 65 kilometres west of Dalby. Reporting to the Farm Manager, you must be a self-starter with your primary responsibility being the feeding in the feedlot, in addition to machinery maintenance, cattle health observation and some livestock handling. This includes activities such as optimising the feed for each animal to get the best results, mixing, and delivering feed rations, inputting data into Bunk Management System, and grain processing.

You will have mechanical knowledge so to identify potential malfunctions or problems, service machinery when required so that the feedlot and property is maintained effectively. Must be used to and enjoy working on your own, though you must also be able to work collaboratively and amicably with others in the team when required. There will also be some station work at different times of the year.

This is a fantastic opportunity for someone who is hard-working and motivated and is looking to grow their skills and knowledge in the cattle industry. A 3-bedroom airconditioned home is provided with the position, which has school bus access to Dalby.

The ideal applicant will possess the following attributes -

- Past feedlot experience in a similar role (Ideal but not a necessity).
- A genuine demonstrated interest or experience working with cattle.
- Practical mechanical aptitude and/or a working knowledge of basic mechanical servicing and maintenance.
- A positive past safety record and a proven ability to operate plant and machinery safely.
- Proven history of working well as part of a team.
- Current manual driver's licence.
- A demonstrated commitment to improvement and learning.
