

Detailed Saleyard Report - Cattle

Market information provided by MLA's National Livestock Reporting Service

Roma Store

report date 19/01/2021

 Yarding 2017
 Change NQ

comparison date 12/01/2021

The first Roma Store Sale for the year saw a small yarding of 2,017 head after recent rainfall across the supply area and an improved season in some areas. Cattle were drawn from the usual supply area and the overall quality of the yarding was good, with light weight and medium weight yearling steers and heifers accounting for the majority of the numbers. A large buying panel was present and included all regular processors and feedlots along with interstate restockers. Prices improved across the yarding markedly from the last sale for 2020 due to the reduced supply and strong competition, with light weight yearling steers under 200kg reaching new record prices.

Light weight yearling steers under 200kg to restockers sold to 701c to average 681c/kg. A good sample of light weight yearling steers under 280kg to feed or background made to 696c to average 621c/kg. Medium weight yearling steers under 330kg to feed sold to 610c to average 540c/kg. Medium weight yearling steers under 400kg to feed made to 454c to average 438c/kg. The limited numbers of heavy weight yearling steers over 400kg to feed reached a top of 432c to average 429c/kg. Light weight yearling heifers under 200kg to restockers reached a top of 672c to average 607c/kg. A good sample of light weight yearling heifers under 280kg to restockers made to 600c to average 520c/kg. Medium weight yearling heifers under 330kg to restockers sold to 498c to average 477c/kg. Medium weight yearling heifers to restockers made to a top of 498c to average 468c/kg. The best of the limited numbers of heavy weight grown steers sold to 428c to average 412c/kg while the best of the grown heifers reached a top of 368c to average 368c/kg. A run of vendor tested PTIC grown heifers to restockers sold to 448c to average 448c/kg.

Medium weight 3 score cows sold to a top of 307c to average 300c while heavy weight 4 score cows made to 313c to average 313c/kg. Heavy weight 3 score cows made to 305c to average 299c while heavy weight 4 score cows sold to 324c to average 314c/kg. A good sample of heavy weight bulls made to 340c to average 332c/kg. Cows and calves reached a top of \$1,920/unit.
