 Market information provided by MLA's National Livestock Reporting Service

<b>Dalby</b>		report date	27/01/2021
Yarding	4432	comparison date	20/01/2021
Change	2648		

The supply of stock more than doubled the previous weeks level to increase by 2,648 head for a total of 4,432 at Dalby, and included in the larger line up were 110 PTIC cows plus 58 cows and calves. All the usual export buyers were present however not all were operating. The usual feed and trade buyers were in attendance and active, along with local and interstate restockers. The large increase in supply resulted in a variation in average prices in places, however across most classes of light weight cattle prices remained very strong. Medium weight yearling steers to feed experienced only quality related price changes, and heavy weight yearling steers to feed averaged 5c/kg better. Light weight yearling heifers improved in price, medium and heavy weight yearling heifers to feed sold to very strong demand. Prices for cows could not maintain the high levels experienced the previous sale.

Light weight yearling steers under 200kg returning to the paddock reached the same high level as the previous week at 712.2c/kg. Yearling steers under 280kg made to 678c with a very large sample averaging 558c/kg. Yearling steers to feed for the domestic market averaged from 467c to 495c, and made to an isolated 540.2c/kg. Heavy weight yearling steers to feed made to 476c with a large selection averaging 444c/kg. Light weight yearling heifers were well supplied and made to 604c to average 511c/kg. Yearling heifers to feed averaged from 444c to 454c and made to 478c/kg. Heavy weight yearling heifers to feed averaged 417c and made to 442c/kg.

A handful of bullocks to export processors made to 395c/kg. Medium weight 2 score cows returning to the paddock made to 298.2c to average 295c/kg. Medium weight 2 scores to export processors averaged 272c, and 3 scores 281c/kg. A large selection of good heavy weight cows averaged 310c, and made to 320.2c/kg in pen lots. Heavy weight bulls made to 350c/kg. PTIC cows sold open auction made from \$1,950 to \$2,350/head, and cows and calves made to \$2,750 per unit.
