

FEEDMILL OPERATOR

Central Agri Group's Joanna Plains farm, feedlot and backgrounding facility is located 1.5 hours north of Perth in Cataby, Western Australia. We are currently seeking a **Feedmill Operator** to join our team at our Joanna Plains Farm and Feedlot.

Daily duties include:

- Feed mill operation and maintenance
- Feed mixing preparation and delivery
- Bunk calling and feed allocation
- Assisting with Livestock movements
- Assisting with Pen hygiene and maintenance

Although on the job training will be provided, candidates with previous experience operating machinery and cattle knowledge is highly desired.

You will be offered:

- Accommodation - located onsite
- Meals provided daily
- Full time employment will be on offer for the right candidate
- Career progression opportunities within our growing national business
- Opportunity to work for an industry leader

If you have a passion for cattle, are a dedicated and committed team player and are looking for a new opportunity please contact Johnnie Dichiera on 0488191018 or johnnie@centralagrigrp.com.au, for more information.

Immediate start available for the right candidate.
