

TULLIN TULLA BEEF

Farmhand / Feedlot Assistant

Long-term employment opportunity on a family orientated farm for those with passion, honesty and enthusiasm.

A day on the farm may involve:

- * Operation and maintenance of farm equipment and machinery
- * Spray rig operation
- * Tractor driving
- * Livestock handling and processing
- * Grain processing
- * Feedbunk management & feed delivery

To be successful in the role you must:

- * Have basic experience with either machine operation and/or livestock
- * Be able to operate under instruction
- * Be prepared to learn new skills & develop existing ones
- * Be self-motivated and take initiative
- * Be reliable, committed and accountable
- * Be physically fit, self-motivated and down to earth.

A competitive hourly rate (depending on experience), plus superannuation, various onsite accommodation to suit either singles and couples/small families plus vehicle for work use. Primary school bus access & high-school buses also available. One hour from both Goondiwindi and Moree. Friendly villages of Croppa Creek and North Star nearby and involvement in the community is encouraged.

Must have current driver's licence. You will be encouraged to gain other licences (HR/MR Licences) or skills if you desire. Email resume to office@owengroup.net.au
