

FARM MANAGER

McCorkell Pastoral Company currently requires a Farm Manager for its 1100 ha property located in the prestigious Western Districts of Victoria. Koorngong is just 10 minutes west of the city of Hamilton and close to some of the best schools in Victoria which are serviced from the property's front gate.

Currently joining a combination of 6,500 composite and merino ewes along with 140 breeding cows. Hay production and fodder cropping is also done to balance feed demands. There is currently a progressive pasture renovation system underway to help build expansion aspirations.

To be considered for this position, you must above all be a team player who is invested in taking an active role in living and working on the farm, managing our complete operation and setting goals for our future enterprise mix.

The successful applicant will be responsible for all operational aspects of the farm business including animal husbandry, stock management, pasture improvement, feeding and record keeping. You will also be responsible to implement all rotational grazing management systems to complement the pasture programme that is currently underway.

Key skills would include:

- A strong livestock knowledge and good husbandry techniques;
- A sound work ethic and a can-do attitude;
- The ability to lead by example, mentor and train junior staff;
- Good machinery operation capacity and mechanical knowledge;
- Sound knowledge of OH&S systems and practices.

You will need to possess a current driver's licence and have or are willing to get a chemical user's certificate, and first aid certificate. You will also be encouraged to take on any other further training as required.

At McCorkell Pastoral we will offer you as much support as we can with independent consultants at your service along with a head office taking care of all your bookkeeping needs allowing the manager to focus on planning the farm activities and detail record keeping of our performance. We also pride ourselves in having up to date and modern machinery and ask that you ensure it is managed as such.

An attractive salary package with benefits will be negotiated based on your level of experience and expertise while you will reside in a renovated brick 4-bedroom residence in picturesque surrounds.

If this all sounds like something you would like to pursue then please forward your cover letter and CV to pye@mccorkell.net.au.
