

The Midfield Group

Human Resource Management Opportunities

About the Company

Midfield is a major player in the meat processing industry. A wholly owned Australian company with global reach, its main production operates from Warrnambool, for which the human resources team are also based. These newly created roles for the human resources team play a critical part to provide end-to-end people and safety management support across Midfield's diverse group of business units.

Group Human Resources Manager

This is an excellent opportunity for a Senior HR Leader to drive ongoing growth and improvement across people and safety culture and performance. This role will lead the Human Resources function and actively support the Executive Team to develop strategies and manage programs to achieve organisational and people success.

Further details about this opportunity are available at <https://lnkd.in/dQyixAp>.

If you or someone you know are interested, please email admin@foundconsulting.com.au.

HR Operations Manager

Reporting to the Group HR Manager, this role is responsible for providing accurate and timely advice and support to management and staff on all Human Resources, OH&S and talent attraction and retention activities. It is an exciting opportunity for a driven HR or safety professional to grow their career and industry exposure.

Further details about this opportunity are available at <https://lnkd.in/dq3PFBC>.
