

TULLIN TULLA BEEF

Farmhand

This is an opportunity for long-term employment on a family orientated farm for those with passion, honesty and enthusiasm - starting ASAP.

This role will require you to operate under instruction the use of farm machinery and equipment, undertake and develop skills in repairs and maintenance.

A day on the farm may involve:

- * Operation and maintenance of farm equipment and machinery
- * Spray rig operation
- * Tractor driving (experience essential)
- * Grain processing

To be successful in the role you must:

- * Have experience with machine operation and familiarity with GPS
- * Be self-motivated and take initiative
- * Be reliable, committed and accountable
- * Be physically fit, self-motivated and down to earth.

Must have driver's licence. You will be encouraged to gain other licences (HR/MR/forklift etc) or other skills suited to role.

A competitive hourly rate (depending on experience), utility for use on farm.

One hour from both Goondiwindi and Moree. Villages of Croppa Creek and North Star nearby. Three bedroom air-conditioned home. Access to primary and high school buses.
