**Job Type: full time**

- Cunningham Cattle Company provides a strong focus on training and development, within a culture of pride and teamwork.

**Start Date:** This position is available for a start mid-March 2021.

### **Job Description:**

Cunningham Cattle Company has an exciting opportunity for an experienced and highly motivated Farming Overseer to join our team at Abingdon Downs Station. This is a new position to oversee the 2,000ha of development work in dry land forage.

Reporting to the Property Manager, the candidate will be responsible for executing the farming strategy including the initial development work and then ongoing management of farming activities. To be successful in this role, you will possess previous experience in farming in a similar position and have a positive can do attitude and hands on approach. You will have the ability to work independently coupled with strong mechanical and welding skills. A current chemical users' certificate and drivers licence are essential for the position.

### **To Apply:**

Please apply for this position by emailing a cover letter and resume to [careers@gunnagri.com](mailto:careers@gunnagri.com). Please type in the email subject line – Farming Overseer.
