

# ANIMAL HEALTH AREA MANAGER

NORTHERN AUSTRALIA

## Exciting opportunity to join a global leader

ELANCO ANIMAL HEALTH is a global leader in the discovery and commercialisation of technology that improves animal health and the efficiency of livestock production.

Elanco is seeking to appoint a motivated sales professional to present the company's range of beef products to producers, distributors, veterinarians and advisors in Northern Australia (North QLD/NT/Kimberly/Pilbara).

Working as part of a highly motivated team, you'll play a key role in the implementation of sales and marketing plans to ensure the company's continued growth.

You must have tertiary qualifications in agriculture, science or similar, and a comprehensive knowledge of the Australian beef industry. Sales experience within the animal health sector would be advantageous, although ongoing training will be provided.

Excellent communication, presentation and organisational skills are crucial for success in this role, as are high levels of initiative, self-motivation and a positive, 'can-do', customer-focused approach.

This position demands frequent travel, including numerous nights away from home. In return, the successful candidate will receive a generous remuneration package, including a fully-maintained company vehicle.
