

Overseer & Machinery Operator

Located at "Bulloo Downs Station", Thargomindah. Reporting to the Station Manager, this will be a varied role in which you will have the opportunity to utilise multiple skills and experience.

Your key duties will include but not be limited to the following:

- Mustering cattle using motorbikes;
- Overseeing stationhands;
- Attending to cattle husbandry and processing;
- Carrying out general station maintenance and repairs – including fencing and welding;
- Undertaking general vehicle & machinery operation and basic maintenance;
- Maintenance of station roads, fence lines, airstrips and fire breaks;
- Undertaking earthworks as required, including cleaning out of dams and turkey nests;
- Operation and general maintenance of Grader

To be successful in this role, you will have:

- Relevant earth works experience operating a Grader;
- Cattle station experience;
- Competent operation of various station machinery/equipment and carry out basic maintenance;
- A strong work ethic and commitment to working safely;
- Ability to observe general property needs ie. Fencing, livestock health, waters;
- Great communication skills;
- A current HR licence;
- A current Class C Drivers Licence

We can offer you:

- Air-conditioned accommodation;
- All meals;
- Attractive remuneration dependent on experience.

This position will suit someone happy to work and live remotely. A can-do attitude and the ability to jump in and do whatever is required to get the job done is essential, including assisting the Station Manager as required.

Applicants please provide a description of your work history with 2 work references who are contactable. Apply to jobs@gibsonpastoral.com.au or call 0427960709
