

- **Regional NSW Headquarters – Sydney/Canberra/Melbourne corridor**
- **World leading technology**
- **Excellent career development opportunity**

### **Supply Chain Co-Ordinator**

#### **ABOUT YOU**

Are you passionate about working in the meat and livestock industry? Have you been involved in extracurricular events like Young Farmers, Meat and Livestock Australia or Australian Intercollegiate Meat Judging Association?

Our client requires an individual to coordinate the buy, make and sell steps for the organisation across the region. This will be achieved through establishing and maintaining professional relationships with producers, livestock agents and feedlot operators through programs of ongoing communication and marketing activities to ensure effective representation.

You will be working closely with key stakeholders to deliver production including coordinating incoming livestock deliveries through boning and dispatch.

#### **ABOUT THE ORGANISATION**

Located in regional NSW, within the Sydney / Canberra / Melbourne corridor, this client has exciting plans for future growth, and can provide a career defining opportunity for a supply chain co-ordinator.

#### **SKILLS & EXPERIENCE**

- Diploma in Agri Business or similar qualification, or significant similar experience
- Experience within rural agribusiness
- Good administration and computer skills and highly organised approach to managing workloads
- Demonstrated interpersonal skills including customer relationship skills
- Current drivers' licence is essential
- Proficient in MS Office and ability to learn new software
- Demonstrated ability to interpret data and produce detailed reports

#### **HOW TO PROCEED**

Full time permanent role based in the Riverina region of New South Wales. An excellent salary package commensurate with your experience to be offered to the successful applicant.
