

Feed Allocator / Leading Hand

An opportunities currently exist for an enthusiastic and highly motivated person to join our progressive feedlot team as full time "Feed Allocator" at Stockyard's Kerwee Feedlot.

The Role

The roles involve the operation and maintenance of industry leading steam flaking mills and associated feed delivery plant, delivering over 240t of mixed feed each day. Family owned and operated for over 60 year, Stockyard has undergone significant upgrades to expand its capacity to 20,200 head. The successful candidate will work in a team of 8 staff on a 10/4 roster. This positions would be suited to a mechanically minded person who can work alone and in a group to consistently achieve company benchmarks. The successful candidate for this role should show the following attributes:

- Strong time management abilities
- Proven experience working as part of a diverse team.
- Ability to communicate well with all levels of personnel and management.
- Strong focus on following and enforcing WH&S and environmental requirements.
- Knowledge of Feeding, Milling and heavy machinery maintenance.
- Experience in cattle feeding and Elynx programs will be an advantage.

The successful applicant would ideally have several years prior experience in feeding industry. Attractive wages would be offered based on the experience and qualification levels.

Applications (including cover letter and resume) should be emailed to –

Stockyard Lot Feeders' General Manager steve@stockyardbeef.com.au

or

Feed team Supervisor luke@stockyardbeef.com.au by 01/04/21
